BLANCO O PLATA White or silver tequila is generally clear and un-aged and may be “rested” in oak for up to 60 days. Agave shines through with citrus, floral, vegetal, black pepper and mineral flavor notes.

REPOSADO Reposado meaning, “rested” has been aged in oak barrels for at least two months, but not more than 1 year. Aging imparts color and flavor to the tequila, smoothing it out and adding notes of oak, vanilla, caramel and more.

AÑEJO Añejo, or “aged” tequila has been aged in oak barrels for at least one year and less than 3 years. Añejos have oaky characteristics, similar to whiskey or cognac.

EXTRA AÑEJO Extra-añejo is aged in oak barrels for at least three years, becoming much darker, extremely smooth and complex.

MEZCAL Mezcal is a Mexican distilled spirit, made from up to 28 varieties of agave (including blue agave) around the city of Oaxaca and some areas of the states of Guerrero, Durango, San Luis Potosi and Zacatecas. While most mezcals are made from Espadin agave, some mezcal producers blend agave varieties to create distinct flavors. Mezcal traditionally has a very unique, smoky flavor and tends to taste sweeter, or richer, than tequila.
